

Thank you for your interest in Chimpanzee Sanctuary Northwest. Founded in 2003, the Sanctuary will provide perpetual sanctuary for captive chimpanzees where they can live out their lives in a safe and enriching environment. The Sanctuary is located on a 26 acre farm in Central Washington, between Cle Elum and Ellensburg, approximately 100 miles east of Seattle. The Sanctuary is currently seeking volunteers near either location to help with construction, fundraising, and administrative assistance.

Please complete this application and return it to the Sanctuary (mail: P.O Box 952, Cle Elum, WA, 98922 or email: volunteer@chimpsanctuarynw.org). Upon review of your application, you will be scheduled for an interview. During this interview we will work to find a good fit between your interests, skills, and availability and the needs of the organization.
